SUMMARY

I'm a graphic designer who works as a freelancer, and I have expertise in design with Photoshop, Adobe Illustrator, and Figma. I have also completed over 20+ projects. My passion is learning about graphic design and content creativity. I'm working and studying for over 8 hours every day.

WORK EXPERIENCE

GRAPHIC DESIGN

2022 - Present

Freelancer

Photoshop:

- Worked on over 8+ products
- Has experience with a wide range of market items such as: F&B, poster film, cosmetics, etc.
- The product is designed to be unique and self-creative.
- Capable of creating a variety of designs such as a logo, banner, poster, card visit, etc.
- In-depth understanding of Photoshop tools and the ability to operate independently with little supervision

Adobe Illustrator

- Worked on over 10+ products
- Basic design includes logo, banner, poster, icon, and advanced color change for product
- Capable of doing difficult research and self-resolving design challenges

Figma

- Worked on over 3+ project
- Able to advanced design in figma for kind of product as Ecommerce, Cometics, Resume, etc.
- Being able to develop a component for reuse helps me to save a significant amount of time while designing.
- Capable of designing on a responsive platform for several devices such as desktop, tablet, mobile.

EDUCATION

COMMUNICATION AND GRAPHIC DESIGN

2022 - 2026

HUTECH University

- Regarding important subjects, I usually receive an 8+ since I am capable of self-study, and I am also confident in my ability to work.
- With themes that need the formation of a design team, I am the team leader and work as a supervisor and important member of the team in the release of creative and product.
- Public speaking and product presentation abilities. I once gave a presentation in front of a class of more than 60 people and earned numerous accolades from professors and students, as well as good marks.
